

Dear Parents,

We invite you to join the 2010 Roots Family Tour to Korea this summer from July 6 through July 18. You and your family will be traveling throughout Korea, experiencing its rich history and culture, while reuniting with old friends and making new ones.

As you return to your child's country of birth, Korea's many sights, sounds and tastes will enrich your journey. You will also explore your child's beginnings by visiting the Social Welfare Society (SWS), the Korean adoption agency that first shaped your child's life story. Then you will move onto one of the SWS maternity shelters and baby reception centers. Should you wish, we will assist you in seeking out important people and places from your child's past. If your child was not adopted through the SWS, you will be assisted in making contact with the appropriate agency for your needs during your visit in Seoul.

During the trip you will be accompanied by an experienced social worker and an English-speaking Korean travel guide. In preparation for the trip, you will be invited to an orientation workshop at Spence-Chapin Services, Family & Children's Agency, or Americans for International Aid and Adoption.

We hope you will join us for a trip that will forever find a place in your memories.

Sincerely yours,
